Logout: Manage Acct

**My Account**

- View Agency Web Users
- Manage Digital Signature
- Change Password
- Change Private E-mail Address
- Change Public E-mail Address
- Update Web Site Address
- Get ITC Bridge File 2
- Get Quick Quote Bridge File

**Create ITC Bridge File**

Bridge Install Options:	Normal Install (~3MB)
Web Browser:	Internet Explorer
Browser Path:	C:\Program Files\Internet Explorer\iexplore.exe
Company Directory:	C:\newport
Enable Automatic Login:	<input checked="" type="checkbox"/> 3

Download File Bridge Help

This is what triggers the producer code and password to be hardcoded into the bridge files
