

The screenshot shows a web browser window with the title "American Southwest Insurance Managers - Producers An...". The address bar contains the URL "https://www.americansouthwest.com/prod/index.php?page=acctMgmt&subPage=itc_bridge". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The website's navigation menu has "Home", "Claims", "Producer", "Insured", "About", "Contact Us", "Help", and "Homeowner". A secondary menu includes "Main", "Quote", "Policy Access", "Mail/Reports", "Forms/Resources", and "My Account".

The main content area is titled "Create ITC Bridge File" and includes the following fields and options:

- Bridge Install Options:** Normal Install (~3MB)
- Web Browser:** Internet Explorer
- Browser Path:** C:\Program Files\Internet Explorer\iexplore.exe
- Company Directory:** C:\ASIMBridge
- Enable Automatic Updates:**

At the bottom of the form are two buttons: "Download File" and "Bridge Help".

On the left side, there is a sidebar menu with the following items:

- Monday November 17, 2008
- WORMANS - 455800
- MAN'S INSURANCE GROUP
- Logout: Manage Acct
- My Account
- View Agency Web Users
- Change Password
- Change Private E-mail Address
- Change Public E-mail Address
- Update Web Site Address
- Get ITC Bridge File
- Get Quick Quote Bridge File
- Remote Assistance
- Action Items
- Click here to view your Urgent Producer Mail Action

Four numbered callouts are present:

- 1:** Points to the address bar.
- 2:** Points to the "Producer" link in the top navigation menu.
- 3:** Points to the "Get ITC Bridge File" link in the left sidebar menu.
- 4:** Points to the "Download File" button.
