Deerbrook/Encompass Bridge Instructions

- 1. You will need to go to the Interlink website to download the bridge : http://interlinkhelp.com/
- 2. To begin the download process for either Encompass and/or Deerbrook, click on the **Downloads & Links** link on the left side of the screen.

3. Scroll down the next screen to the Bridging section and click on Run Bridge Setup.

9. Click the Next button on the Ready to Install! screen.

InterlinkBridge Install	ation	×
	Ready to Install! You are now ready to install InterlinkBridge. Press the Next button to begin the installation or the Back button to re-enter the installation information.	
	< <u>B</u> ack <u>N</u> ext > Cancel	

10. The bridge file will then download. Once complete, a **Bridge Setup Type** box will appear for you to make a selection for the company you want to install the bridge for. We recommend that you choose the first selection: **Deerbrook/Encompass (Both)** so that you will already have the file for the other should you begin writing business through that company as well.

11. Click on the Finish button on the Installation Completed! screen.
