

Midlands Insurance Bridge Instructions

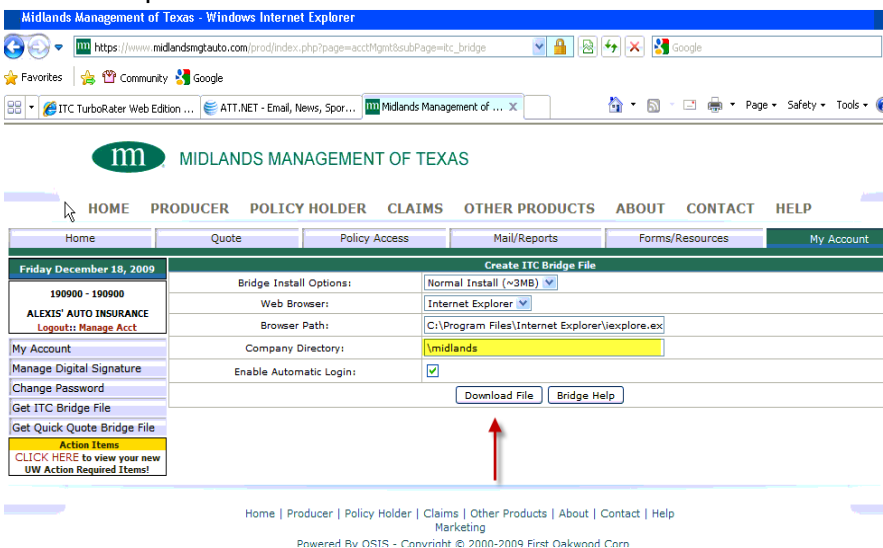

1. Log into Midlands web site: <https://www.midlandsmgtauto.com/prod/index.php?page=acctMgmt>

2. On the left side of the screen, click on **Get ITC Bridge File**

3. The **Create ITC Bridge File** options will appear in the middle of the screen. We suggest that you leave the default path shown below and click on the **Download File** button at the bottom.

4. Once the file has downloaded, you can then bridge from the Comparative Rater to Midlands.
